

TRANSIT SURVEY

The Cedar Park Neighbors Transit Committee ask all those who live or work in the Cedar Park neighborhood to take our short survey on walking, biking, driving, and public transit. Your input will help guide the committee's priorities, inform decisions, and set a transit benchmark for the future.

This survey is designed for people who live and work inside the boundaries of Cedar Park (see map).

Please mail to:
Calvary Center for Community and Culture
c/o Cedar Park Neighbors Transit Committee
4740 Baltimore Avenue
Philadelphia, PA 19143

TAKE THE WHOLE SURVEY ONLINE at bit.ly/cpntransitsurvey

Please rate how familiar you are with the neighborhood:

Totally Unfamiliar

Extremely Familiar

Cedar Park Neighbors is an association of diverse resident and businesses; our ability to make positive change is through advocacy that represents our community. How important is it to you that we work on transportation issues?

Not at all important

Extremely Important

What do you like best about transportation in Cedar Park?

Please rate the following statement:

“I believe that all people—regardless of age, physical ability, income, or mode of travel—should be able to travel safely on our city streets.”

Strongly Agree
